

# VEDIC MATHEMATICS WORKSHOP

A Mathematics workshop on Vedic Mathematics was organized on 13/09/17. The students of classes 5<sup>th</sup> to 10<sup>th</sup> attended the session hosted by Dr. B. Sai Kiran who has a Guinness World record for fastest subtraction.

The resource person is a leading expert and Vedic Mathematics trainer with 5 world records and 2 national records in the category of Mathematics and memory power. He delivered lectures on Vedic Mathematics and memory techniques in many esteemed educational institutions across the world.

**In this session Dr. Kiran enthralled the students with brilliant ways of solving complicated calculations in simple impressive ways. The techniques of mind reading and telekinesis (the ability to move objects by mental power) were also shown to students.**

**He also authored a book on Vedic Mathematics which was introduced to the students. Students enjoyed the whole workshop as it was very informative, interactive and kept them engrossed for the whole session.**
