9. Are only ferocious animals carnivores?
10. What do fish eat? Are they omnivores?
11. Jessi went to a restaurant with her mother and father. At the restaurant they had cabbage and potato, rajma, rice, chapatti and salad. Jessi finished everything on her plate, which made her mother very happy. After leaving the restaurant, Jessi's father bought her an ice cream and all of them started walking home. On the way, Jessi saw a small, hungry child crying. Jessi stared at the child for some time and gave her ice cream to the child. Why do you think Jessi handed over her ice cream to the boy? Was it right? Can you help Jessi identify the sources of all the food items she ate for dinner?
